Athlete signature: _____

Medical conditions and/or medications taken:

Vernal, Utah

Dates: Monday June 22 - Friday June 26th

*Camp concludes with the Dinoland Triathlon on June 27th. Race entry fee is NOT included in camp price.

Location: Steinaker State Park, just outside of Vernal, Utah

Cost: \$100. This includes food, gas, camping fees, and camp associated costs. It does NOT include your entry into the race.

We have the group camping site at Steinaker that allows us to have up to 75 people there. It is shaded with trees and has plenty of camping and eating space. This site also has bathrooms and shower amenities.

Meals and snacks will be prepared prior to camp. We will have dinner on Monday June 22nd and then breakfast, lunch and dinner June 23rd thru June 27th. Water and sports drinks will also be available during the camp.

Athletes will be camping in tents and will need sleeping bags. They will need to bring tents, sleeping bags, air mattresses etc. as this will not be provided. Other things to bring will be: shampoo, soap, tooth brush, tooth paste, towels, lotion, sun screen, and things of this nature.

Athletes will not need to bring money with them, except about \$25. We will possibly go into town for a movie one night.

Athletes will need to sign camp release form, have a copy of their insurance cards/info with them, have their entry to the race paid for, and have their USAT membership current.

Campers need to be able to set up their own tents, sleeping stuff, etc. Coaches and parents will not be doing this.

This is a training camp and athletes must be ready to train here. This is not a play camp although we will have a lot of fun.
